CABERNET SAUVIGNON
STAGS LEAP DISTRICT

BY *Fess Parker*

“...Deep ruby/purple-hued, it has a gorgeous nose of cassis, darker, almost blue fruits, classy oak, violets, and floral nuances. It's medium to full-bodied with ultra-pure fruit, fine-grained tannins, and a superb finish. This wine shows the incredibly impressive style of the vintage and will shine for two decades, not as a blockbuster, but for its balance, purity, and grace. Drink 2025-2045.”
