PARKER WEST  
CHARDONNAY  
STA. RITA HILLS  
2019

“Rocking Meursault-like notes of toasted brioche, hazelnuts, white flowers, and ripe citrus and lemon emerge from the 2019 Chardonnay Parker West, another classic, medium-bodied, beautifully balanced Chardonnay ... it's medium-bodied, has bright acidity, and a distinct minerality on the finish. It's a beautiful Chardonnay to drink over the coming 3-5 years or so.”
