**2023 CHARDONNAY**  
SANTA BARBARA COUNTY

“The 2023 Chardonnay (Santa Barbara County) soars from the glass with striking aromatics. Hints of apricot, lemon peel, white flowers and crushed rocks follow. Effortless and gracious, the 2023 is a winner. The blend of sites picked at different levels of ripeness yields a Chardonnay of notable complexity, while a touch of Hungarian oak adds an attractive spicy character.”
