### AROMAS & FLAVORS

Sour cherry	Pink grapefruit
Watermelon	Orange zest
Cranberry	Rose petal
Strawberry	Bright acidity
Guava	

## NOTES

Grenache Rosé has become a tasting room favorite over the past couple years and for good reason. The salmon color and juicy watermelon fruit flavors make it a great companion to a wide array of lighter dishes. The bright acidity also makes it eminently enjoyable on it's own. Be careful, it's dangerously good – you've been warned!
