ASHLEY'S  
PINOT NOIR  
STA. RITA HILLS  
2017

“... a wonderfully complex, balanced, nuanced effort that offers loads of character. ... it offers classic notes of black raspberries, currants, ground herbs, forest floor, and earth. Medium to full-bodied, concentrated, with plenty of ripe tannins, it's a layered, complex Pinot Noir to enjoy over the coming 7-8 years.”
