**PARKER WEST  
PINOT NOIR**  
STA. RITA HILLS  
2017

“... bright, focused and beautifully layered. Interestingly, the Pinot off this site has the same edginess that is found in the Chardonnay. Savory, floral and expressive, with beams of supporting structure the Parker West is a very pretty and also done in a style that is less overt than is often the case in the Sta. Rita Hills.”
