

SINCE  1989

Fess Parker

PARKER WEST
PINOT NOIR
STA. RITA HILLS
2019

“... offers more stem influence as well as some meaty, nutty, spicy nuances. It's beautiful on the palate as well, offering medium to full body, ripe, polished tannins, a great mid-palate, and outstanding length. Fermented with one-third stems and aged 17 months in 36% new oak, this terrific Sta. Rita Hills Pinot Noir will deliver the goods over the coming 5-7 years.”
