

EPIPHANY
REVELATION
RODNEY'S VINEYARD
2022

“... opens with plenty of red and black fruits, sandalwood, and peppery spice. Medium-bodied and balanced, it's polished and silky on the palate, with a layered, seamless feel that makes it a joy to drink. I love it even now, although it should no doubt evolve gracefully through 2035. Drink 2025-2035.”
