RODNEY'S VINEYARD  
DRY RIESLING  
SANTA BARBARA COUNTY  
2019

“Chiseled granite and crushed gravel aromas make for a very stony entry to the brilliant nose of this bottling, which also offers tight apple-peel scents. The palate sizzles with acidity and grips with mineral-driven tension, allowing struck stone, lemon-pith and lime-peel flavors to compete for deserved attention. Drink now through 2039.”
