RODNEY'S VINEYARD  
SYRAH  
SANTA BARBARA COUNTY  
2017

“... a very pretty wine. Bright red berry fruit, a touch of new wood and expansive floral overtones give the 2017 an elegant, restrained personality that is almost Pinot like in its fruit purity and early approachability. This is a decidedly forward, fruity mid-weight Syrah. The 2017 will be easy to drink upon release.”
