“ ... **powerful, inky**  
and dense, and yet it is also  
**impeccably balanced.**

*Chocolate, plum, cedar, licorice  
and leather are some of the many*

*notes that race out of the glass in this decidedly  
**sumptuous, flamboyant** wine. Readers who  
like overt, generous reds will find much to like  
here. I find myself increasingly drawn to The Big  
Easy now that it is a bit less heavy than it was  
years ago. This **rich, hedonistic** Santa  
Barbara red is sure to find many fans.”*
